

From the Office of the

Theme 2019:

### Considering Our Decision Every Day

“The way of life is above to the wise that he may depart from hell beneath”  
(Proverbs:15:25)

What can be considered from this text is, we make many decisions every day. Each decision we make directs our life upward toward favor with God now and later or toward destruction now and an eternity in hell. Wise men make decisions carefully with the earthly and eternal consequences in mind in order to avoid trouble and God’s displeasure and to find His favor and blessing.

The choices men make each day determine the success or failure of their lives in this world and in the one to come. Most are too proud to consider their ways, for they assume they are right. Others are too lazy, so they continue playing with their toys. Some do not care, blind to the consequences. Others follow the majority. Some follow their feelings.

But all those criteria for decision-making are foolish! Pride will certainly bring pain and trouble (Pr 16:18; 18:12). Slothfulness is the mark of a fool (Pr 18:1-2). Carelessness also marks fools (Pr 1:22; 17:16). The majority is always wrong (Eph 2:1-3; Matt 7:13-14; Ex 23:2). Above all else, do not follow your deceitful heart (Pr 14:12; 16:25; Jer 17:9).

Consider your ways. Examine yourself. Beg God to help you (Ps 139:23-24). How do you choose and decide what to do and what not to do? Is the word of God your guide? Or do you follow your feelings, the fads of the world, or some other foolish influence? A wise man does not let life happen to him, he directs himself upward toward God and life.

As Christians, it is our privilege and duty to set our mind on heavenly things, rather than on the earthly things of this short life (Col 3:1-4; Rom 8:4-8). The consequences are great. Spiritual thinking leads to life; worldly thinking leads to death. Instead of being a belly worshipper, follow the Spirit of God and move upward (Rom 8:9-13; Phil 3:17-20)

Have a great Weekend.

That time of the year has come around again where by the affairs of this College, inclusive of its three campuses (the main campus at Banz, Port Moresby Campus and the Lae campus) will be deliberated on in this forum; the CLTC College Council meeting.

Welcome from me as the Principal of this College to you all to express my deep gratitude and word of thanks to you all for making time to attend this Council meeting. Many of you because of work commitment were not able to come, but I know that you would have come had it not been for those work commitments. Please allow me to welcome you all to this

meeting. Let me welcome also those of you who have come as observers

In spite of your busy schedules, you have sacrificed time and work to come. It's humbling to see the depth of commitments by many of you, over many years in attending the College Council meetings. You do so and have done so over the years because you believe in what God is doing for the churches in PNG and the Pacific through the Christian Leaders Training College. Your collective God-given wisdom over many years is the reason for CLTC being where it is today.

Thank you for investing your time in the eternal purposes of God through the ministry of this College. Welcome to all of you and thank you very much, once again for coming.
